Re: Promega Corporation et al v. Life Technologies, Case 3:10-cv-00281-bbc

Dear Judge Crabb:

I write to follow up on Life's opening brief regarding the structure of remand, in which Life informed the Court that it intended to seek a stay of further proceedings pending its petition for certiorari to the United States Supreme Court. See Dkt. No. 795 at 8. Life advises the Court that it will file its certiorari petition no later than June 26, 2015, and that it will file its motion to stay concurrently with that certiorari petition.

Respectfully submitted,

/s/ Edward R. Reines
